PROFESSIONAL EXPERIENCE

Marketing & CRM Automation Specialist — Hello (Remote)

Jun 2020 – Dec 2025

- Built and managed automated email campaigns and customer journeys across Salesforce Marketing Cloud, HubSpot, GoHighLevel, and Braze
- Executed email marketing campaigns including audience segmentation, triggered sends, nurture workflows, and lifecycle automation
- Designed and optimized email templates using HTML/CSS and drag-and-drop builders while ensuring mobile responsiveness and cross-client compatibility
- Performed email proofing, QA testing, troubleshooting, scheduling, and deployment to ensure campaign accuracy and deliverability
- Managed customer data, list segmentation, suppression logic, and CRM backend operations for accurate targeting and automation performance
- Created and optimized workflows using behavioral triggers, campaign logic, and lifecycle stages to improve engagement and conversion rates
- Conducted A/B testing and performance analysis to improve open rates, click-through rates, and campaign ROI
- Maintained compliance with email marketing best practices, CAN-SPAM regulations, and data privacy standards
- Collaborated with marketing, product, and operations teams to align campaigns with customer lifecycle and business goals
